

Scale Model Challenge 2019

WORKSHOP OUTLINE

Andy Wardle

Brush Skill Class

Saturday October 19

10:30-15:30

Skill Level: Beginners/Advanced

Price: € 50 (practice figure included!)

The goal of this workshop is to understand lighting on a miniature and how to render different shapes. We break down the different brushstrokes that we can use to do this and focus on the correct dilution for your paint. Finally we'll have an in depth look at blending.

Students should bring brushes, some colours, a wet palette and a lamp. Miniatures to practice with will be provided by Andy.

The SMC organizers will provide some small materials like water cups, paper towels, etc.

We do not provide extension cords. Please bring your own, and remember that we have Euro plugs and 230V. So for non EU-participants it might be necessary to bring a plug adapter.

Payment

Participants will receive an invoice after registration and payment is due in advance, within 14 days of the invoice date.

The reduced rate of € 10 for a two-day admission ticket will be added to the total of the invoice
