

Scale Model Challenge 2019

WORKSHOP OUTLINE

Gerard Boom

Shiftinglands Hardfoam Workshop

Saturday October 19

10:30-13:00

Skill Level: Beginner/Advanced

Price: € 30, all materials included

I challenge you to make a "Starwars" or "Lord of the rings" scenery piece.

You can choose out of 2 or more scenery pieces and build one for yourself.

I will help you through the process and since we work with examples and partially pre-cut parts we can speed up the build extensively.

You do not have to bring anything. Foam and tools are available during the workshop.

My goal is to help you to get your build as far as possible during this 2.5 hour workshop.

Here are 2 examples of possible builds I will offer you during this workshop:

Payment

Participants will receive an invoice after registration and payment is due in advance, within 14 days of the invoice date.

The reduced rate of € 10 for a two-day admission ticket will be added to the total of the invoice

Cancellations and refunds

We guarantee that participants will be 100% refunded, minus possible banking or PayPal charges, in case of cancellation by the teacher.

Alternatively, if participants have a liable reason to cancel themselves they will be refunded according to the following model:

- **Cancellation before 15th September 2019: 75% of the paid amount, minus banking charges if applicable.**
- **Cancellation after 15th September 2019: no refund**

IMPORTANT: All cancellations are required to be made by email to the address stated on the invoice. If we do not receive any notification of absence nor your payment, this is not considered a cancellation and payment is still required.
