

# Scale Model Challenge 2019

## WORKSHOP OUTLINE

### Kirill Kanaev

#### Painting WWII German camouflage on a 1/10<sup>th</sup> scale bust

**Saturday October 19**

**15:45-18:45**

**Skill Level: Advanced**

**Price: €55 (Young Miniatures bust included!)**

The focus of this workshop is painting 2 realistic looking WWII German camouflage patterns on a 1/10<sup>th</sup> bust by Young miniatures in Kirill's unique style: Palm tree camouflage & plane tree no.3-4. In 1/10<sup>th</sup> scale it is possible to paint this with authentic colors and representation of the texture. Printed colour references, assembled & primed bust and a fine detail brush will be provided for each student.

Students are required to bring some fitting colors (brown, green, ochre and khaki), brushes (tiny brush with a sharp tip, preferably natural kolinsky sable brush), their desk lamp, preferred palette & something to hold the bust while painting.

For this painting technique we recommend matt acrylic paints. Preferred brands are Scale75, Andrea colors, Reaper MSP, AK colors and Jo Sonja. Only totally matt colors allow us to represent the material realistically. Other brands like Vallejo model color or artistic acrylic paints might not be so suitable for the accurate texture representation.

The SMC organizers will provide some small materials like water cups, paper towels, etc.

**We do not provide extension cords.** Please bring your own, and remember that we have Euro plugs and 230V. So for non EU-participants it might be necessary to bring a plug adapter.
