

Scale Model Challenge 2019

WORKSHOP OUTLINE

Michal Dostál

Work with pigments, oils and creating rust

Sunday October 14

10:30-14:30

Skill Level: Beginners/Advanced

Price: € 50

In this workshop you will learn how to create convincing and different types of rust. In the first part of the workshop we will create new rust, old rusted pieces of metal and rusted tank tracks. In the second part we will work with pigments and oils. You will learn how to fix a pigments without losing the pigment volume and without changing the colour. Additionally you will learn how to create delicate dusting on your model.

The workshop will in Czech with English translation.

Attendees of the workshop are required to bring a test model : a tank or other AFV body to which you can apply and test the techniques. Bring a set of tracks as well. Model must be primed and sprayed by **mat black base colour only**.

Necessary equipment are basic brushes for modellers. Please bring your own oils and pigments as well. Some paints are available for use and provided by SMC, but better to bring your own preferred brands. A desk lamp can be useful, but not strictly necessary.

The SMC organizers will provide some small materials like water cups, paper towels, etc.

We do not provide extension cords. Please bring your own, and remember that we have Euro plugs and 230V. So for non EU-participants it might be necessary to bring a plug adapter.

Payment

Participants will receive an invoice after registration and payment is due in advance, within 14 days of the invoice date.

The reduced rate of € 10 for a two-day admission ticket will be added to the total of the invoice

Cancellations and refunds

We guarantee that participants will be 100% refunded, minus possible banking or PayPal charges, in case of cancellation by the teacher.
