Workshop Outlines

Bernhard Lustig

Chipping, rust, and oil stains

Saturday October 14

11:00-14:00

Skill Level: Any

Ticket Price: € 40

The students will get a practical guide for easy and effective chipping methods and weathering on your vehicle.. Filters and weathering effects on flat surfaces, as well as all kind of stains such as oil stains and rust. Bernhard will show you a new technique for these applications, for which the use of an airbrush is required. See specs below. You will work with several materials like oils, enamel weathering products, acrylics to achieve realistic and in scale weathering effects - a perfect base for the following dust and mud workshop by Lester Plaskitt

Workshop participants should bring:

- A model to apply the effect to preferably with a dark base coat i.e. Panzer Grey or Olive Drab.
- A selection of paint brushes including some brushes old that may be sacrificed in the application of the weathering effects.
- Thinner
- Acrylic colours for your desired camo
- Mixing pallet
- A model to apply the effects. The model should be painted only with primer (preferably in black)
- Airbrush

Ammo by Mig will support the workshop with weathering products.

Airbrush compressors are available, but feel free to bring your own. Air hoses and fast release connectors are available, but a €10 deposit in cash at the beginning of the workshop is required. Your deposit will be refunded in cash when the workshop is done and you have returned the hose/connector.

The SMC organizers will also provide some small materials and disposables, like water cups, paper towels, etc.

We provide power strips **but we do not provide desk lamps or extension cords**. Please bring your own, and remember that we have Euro plugs and 230V. Check if your electronic devices require a plug adapter.

Payment

- Participants are requested to purchase a workshop ticket to take part in the workshops. For each workshop there is a different ticket. Payment is required upon ordering the ticket. We do not issue invoices.
