

# Scale Model Challenge 2024

## Workshop Outlines

### Chema Cabrero

#### Design, shape and composition on dioramas and vignettes

Saturday October 19

10:30-13:30

Skill Level: Any

Ticket Price: € 100

Chema's "Red steel" book is included in the price

Let's learn about visual design concepts to make well balanced diorama projects:

- Visual perception
- Gestalt and balanced visual interpretation
- Dynamic lines and design perception; orientation, continuity and sequenciality
- Elements and armory
- Levels and concept
- Size, shape and bases.

Students should bring a Project and we will study it to further develop the design of it.

The SMC organizers will provide some small materials and disposables, like water cups, paper towels, etc.

We provide power strips **but we do not provide desk lamps or extension cords**. Please bring your own, and remember that we have Euro plugs and 230V. Check if your electronic devices require an plug adapter.

#### Payment

- Participants are requested to purchase a workshop ticket to take part in the workshops. For each workshop there is a different ticket. Payment is required upon ordering the ticket. We do not issue invoices.
- **Show admission tickets are not included in the price of the workshop.** Please purchase your admission tickets separately, either online or at the ticket counters at the show. Workshop tickets are only valid upon presentation of a valid admission ticket.

#### Cancellations and refunds policy

- We guarantee that participants will be 100% refunded, minus possible banking or PayPal charges, in case of cancellation by the teacher.
- We do not refund in case you have to cancel or are unable to attend, but it is allowed to transfer your workshop tickets to another person. We do not provide this service for you.
- All general terms for tickets apply
