Workshop Outlines

Fabrizio Russo

Title class: Paint miniatures like an illustration

Friday October 16

13:00-18:00

Skill Level: Intermediate

Ticket Price: € 150

Inspired by some icons of Illustration and Fine Arts artists like: Frank Frazetta, Simon Bisley or Paul Bonner... we will paint using their mood and colour tones to give life to our composition.

The idea is not to copy them, but to be inspired with respect!

Students should bring:

1. All the brushes you usually use! Fabrizio usually paints with n: 0,1 and a flat n.2 (But feel free to work with your favourite measures.) It's important to have 1 good kolinski to Paint a good definition.
2. Search for Google image: Frank Frazetta / Simon Bisley / Paul Bonner. All of them are so different, it's important to understand how they move colours on their own palette. Do a selection base on a similar palette for **your figure**. Don't forget that you will need a contrast between saturation and desaturation too.
3. Bring a lot of patience and passion, because learn and improve is a long way! Relax and try to focus on the idea and on your taste. Technique is something that everybody can learn and apply.
4. A desk lamp
5. A figure of your choice
6. Your palette of choice

The SMC organizers will provide some small materials and disposables, like water cups, paper towels, etc.

We provide power strips **but we do not provide desk lamps or extension cords**. Please bring your own, and remember that we have Euro plugs and 230V. Check if your electronic devices require a plug adapter.
