

Scale Model Challenge 2026

Workshop Outlines

Taesung Harmms

Title class: Sculpting the lower body

Friday October 16

13:00-17:00

Skill Level: Intermediate

Ticket Price: € 75

A small container of putty, a resin figure (1/35) & photo references included in the price

The purpose of this class is to learn together how to sculpt the lower half of a figure in 1/35th scale. Taesung, sculptor and owner of Alpine Miniatures, will guide you through his process to sculpt the lower body of a figure (2 legs).

Based on the references provided and with a resin figure to start from, you will learn the skills to adapt figures to support your own projects/dioramas.

Students should bring sculpting tools, a desk light & an optical visor if required.

The SMC organizers will provide some small materials and disposables, like water cups, paper towels, etc.

We provide power strips **but we do not provide desk lamps or extension cords**. Please bring your own, and remember that we have Euro plugs and 230V. Check if your electronic devices require a plug adapter.

Payment

- Participants are requested to purchase a workshop ticket to take part in the workshops. For each workshop there is a different ticket. Payment is required upon ordering the ticket. We do not issue invoices.
- **Show admission tickets are not included in the price of the workshop.** Please purchase your admission tickets separately, either online or at the ticket counters at the show. Workshop tickets are only valid upon presentation of a valid admission ticket.

Cancellations and refunds policy

- We guarantee that participants will be 100% refunded, minus possible banking or PayPal charges, in case of cancellation by the teacher.
- We do not refund in case you have to cancel or are unable to attend, but it is allowed to transfer your workshop tickets to another person. We do not provide this service for you.
- [All general terms of Stichting Oh For Zero Events for tickets apply.](#)
